Transit for Livable Communities

626 Selby Avenue, St. Paul, MN 55104

What is an image of a neighborhood or community that places a high value on bicycle and pedestrian transportation? Bike/Walk Twin Cities is excited to host a public presentation by Dan Burden, national and international transportation consultant and authority on walkable and bikeable design. Come to create a vision of the possibilities for your community.

For more background, see Walkable Communities, Inc. www.walkable.org.
